E a premissa constitucional de inocência?

Ricardo Poppi votou sim

Quanto a premissa de inocência, o projeto já cuida pois só será inelegível apenas o candidato que tiver condenação em primeira instância ou judicial colegiado. Se o cara for absolvido, retoma seus direitos. Por outro lado, a maioria dos culpados que hoje desfrutam do bem-bom da foro privilegiado, seriam impedidos de concorrer. O projeto é ótimo!

Por mais que seja a favor do projeto vale ler este post (semelhante ao que o Daniel Gasparetti comentou) <http://www.casacinepoa.com.br/o-limpa-sou-contr>. Uma bela reflexão de porque você não deve apoiar o ficha limpa e invés disso fazer o exercício de lembrar em quem votou
