**Subject: 10-Year UNPAN Anniversary**

Dear Ms. Qian,

On behalf of His Excellency, Sh. Ahmed Bin Ateyatulla Al Khalifa, myself, and entire staff of the eGovernment Authority in the Kingdom of Bahrain, I would like extend my sincere congratulations for the 10-year anniversary of the United Nations Public Administration Network.

It is noteworthy to state that the efforts of such network are appreciated all around the world as the UNPAN has helped and continues to help nations globally in their economic transition, to respond to challenges and to achieve their development goals being the only network of its type in the world today.

We hope that the UNPAN accomplishes its long term objectives of building the capacity of regional and national institutions, so that they can access, process and disseminate relevant information by means of up-to-date information and communication technologies (ICTs) for the promotion of better public administration in the near future.

Finally, we assure you that the Kingdom is committed to the mission of the UNPAN and will continue to support the UNPAN's role to promote the sharing of knowledge, experiences and best practices, throughout the world; wishing the network continuous and affluent success.

Yours Sincerely,
